

BUSY BEE END OF TENANCY CLEANING TERMS & CONDITIONS

End of Tenancy & Move in Cleaning & Pre-Sale Cleaning T&C

By using our site and/or making a booking via email, phone or online, you indicate that you accept these terms of use and that you agree to abide by them. If you do not agree to these terms of use, please refrain from using our site and/or making a booking. We have a lot of responsibility when our teams walk into others home and property therefore there are rules that must be followed and understood by us and the customer. Understanding our policy will help us to provide the best possible service, so both parties can be satisfied with the end results.

The Terms of Service form a legal contract between the individual using the Service ("you", "the customer,") and Busy Bee End of tenancy cleaning ("we", "us", or "our"). To our end of tenancy cleaning service, the following Terms & Conditions apply: The Client agrees and is bound to the following Terms and Conditions of the service requested by booking our service over the phone, email, message, text message or website. We have a 48h re-clean guarantee (counted by the date of the cleaning) We advise you to book the inventory check with the agency/landlord in a way that you leave enough time for our cleaners to do a re-clean if needed. End of tenancy cleaning requires your property to be vacant and completely empty before our crew moves in to clean it. In case it is impossible your property to be emptied please ensure that you store your possessions together in one room/corner. An extra charge may apply if cleaners need to move a lot of boxes/personal belongings or move them into one corner or if they need to remove a lot of rubbish/clutter left behind. It is possible that the team will not have time to do this so they will clean around everything which is in a way of the cleaning. Please let us know if there was any minor or major renovation work after moving out as it may affect the type of cleaning needed (such as After builders). If the property is furnished/partly furnished/ there was a pet: it must be mentioned upon booking as it affects our quotation. We are not obligated to do any refund in case the team arrived later than expected: The booked time slot is an estimate, please bear in mind traffic and workload may slow us down. We do everything in our power to avoid any kind of delays. We do not accept any liability to you for any loss suffered by you or any other person because of any unexpected delays. Please make sure the heating is working in the property in the winter season. Please make sure there is hot water and electricity as well during our work. Once at your property, we would need an adult present at the end of the cleaning in order to inspect the Services and sign off / consider the work as completed to your satisfaction. If you are not present, the Services will be treated as accepted by you.

Please note that re-clean must be requested by the letting agency/landlord. It means they must raise their concern first to our customer who can then contact us by sending over the report/request/inventory check. Re-clean must be requested by sending an email address to:

info@busybeecleaninglondon.co.uk. Please note the end results may vary depending on the condition before. We expect around 85%-90% improvement with one EOT cleaning. We must mention this as cleanliness is not objective, in fact it is very subjective and varies from person to person. In case the property was neglected/ was not regularly cleaned one round of cleaning might not be enough to pass the inventory check. We rely on our customers judgment on the condition of the property and expect them to let us know if it was not regularly cleaned. If the team has time to stay on the day of the cleaning they can stay extra hours for an additional hourly fee per cleaner, this option will depend on our workload. We price our jobs relying on years of experience how long it takes to clean a property which is well kept so we calculate our quote accordingly. The calculated price based on the below estimated cleaning times.

Cleaning Duration (Estimate)

It depends on the property's cleanliness, property size and number of technicians on site. Our professional team is made up of one to three people. We might send only one cleaner to: studio flats, 1 bed 1 bath and 2 bed 1 bath flats. Please note cleaners may arrive in different times from each other depending on their workload. An end of tenancy clean might take anywhere from a few hours to a whole day to complete. If you are not sure about the condition of the property, please send us photos so we can give you a more exact quote.

Rough estimate with two cleaners:

- 1 bed, 1 bath flat approx. 4 hours (or 8 h with one cleaner)
- 2 bed 1 bath flat approx. 4.5 hours (or 9 h with one cleaner)
- 2 bed 2 bath flat approx. 5 hours
- 3 bed 2 bath flat approx. 5.5 hours

AIRBNB CLEANING TERMS & CONDITIONS

You accept the following T&C by booking an Airbnb cleaning service with us. We accept new clients with at least 2 bookings. NEW clients: In order to book we will kindly ask you to send a 50% deposit for each date you wish to book. We do not require deposit payments from long-term regular clients. Please remember (unless agreed otherwise):

1. Please have clean linen and towels ready for the cleaners to use
2. Please provide a Hoover and mop and cleaning products (minimum: limescale removal/bleach/multi surface cleaner/window cleaner/cleaning cloths or kitchen roll)
3. This service does not include laundry drop off or washing and ironing of linens

CLEANING TIME: It depends on the property's cleanliness, property size and number of technicians on site. Our professional team is made up of one to two people. We usually start any time after the given check-out time. With two cleaners:

1 bed, 1 bath flat/ 2 bed 1 bath approx.: 45min - 2 hours
2 bed 2 bath flat/ 3 bed 1 bath approx.: 2 – 2.5 hours
From 4 bed 1 bath: 2 hours +

LATE CHECK-OUT/DELAYS: In the event of an unarranged late check-out where our team need to wait more than 15 minutes, we will charge an additional £30/hour for each hour started after 15 minutes of waiting. Depending on our workload, we may not be able to wait more than 15 minutes to avoid delays to the next job.

PAYMENT: Payment is due as stated on the invoice. Late payment fee may apply (£30/day)

PRICING: We have fixed prices however we have the right to adjust our prices when circumstances require. For example: long stays, property is left in a very dirty condition, deep cleaning is needed etc.

BOOKING YOUR FIRST CLEAN WITH US: We highly recommend investing in a deep cleaning service before starting an Airbnb, as our Airbnb cleaning checklist will not cover every hidden spot as it is not a deep cleaning service. To avoid disappointment and achieve the best possible cleanliness we advise you to book a deep cleaning with us first. For example: we do not remove heavy limescale/grime/mould build ups during an Airbnb cleaning, so in case the guests complain about that or anything which has been left behind because it is not on our Airbnb cleaning checklist, our business does not take any responsibility for this. We do if our deep cleaning team deep cleaned the property first and then we took on the Airbnb cleaning.

LONGER STAYS: We recommend booking mid-stay cleanings when you are hosting guests longer than 14 nights. If guests were staying or (there was no cleaning requested during that time) longer than 14 nights and no mid-stay cleaning was booked, we charge an additional 50% at the next cleaning. The reason for that is it will take much longer to clean after a long stay. We may charge more on Bank Holidays and Holiday seasons depending on our workload.
